

**ISEVS 30<sup>th</sup> Anniversary Interactive Cardiovascular Symposium**

**MITIE, Houston Methodist**

**September 22-23, 2023**

*Times Scheduled - Central Standard Time*

**Friday, September 22**

6:30-7:30am            **Registration and Welcome Coffee**

7:45-8:00            **Welcome to ISEVS 30<sup>th</sup> Anniversary Meeting –**  
Few notes about the program  
*Ourania Preventza, MD*

**Structural Heart Interventions and Medical Therapy**

*Moderators – James Livesay, MD, Ourania Preventza, MD*

8:00-8:10            “Clinical Trial Results of TAVR with Balloon Expanding Valves”  
*Richard Smalling, MD*

8:10-8:20            “Future of Percutaneous Valve Technology: What is on the horizon”  
*Tsuyoshi Kaneko, MD*

8:20-8:30            “TAVR for patients with CAD: What are the best strategies?”  
*Neal Kleiman, MD*

8:30-8:40            “TAVR options after Homograft Roots”  
*Joseph Coselli, MD*

**Cerebrovascular Interventions**

*Moderators – Alan Lumsden, MD, Palma Shaw, MD*

8:45-8:55            “Implementations of TCAR and Increased Efficiency in one’s Clinical  
Practice”  
*Venkatesh Ramaiah, MD*

8:55-9:05            “Choice of CEA vs TCAR: Decision Making Algorithm”  
*Rema Malik, MD*

9:05-9:15            “Latest Advancements in Carotid Dissection Diagnosis and Management”  
*Giancarlo Accarino, MD*

9:15-9:25            “Timing of Carotid Intervention after Acute Stroke”  
*Orlando Diaz, MD*

9:25-9:35            **Coffee Break**

**Thoracic Aortic Interventions**

*Moderators – Ourania Preventza, MD, Kim Delacruz, MD*

9:40-9:50            “Future Directions: Zone 0 Approaches”  
*Ali Khoynezhad, MD*

- 9:50-10:00 "Endovascular Treatment of Complex TAAA"  
*Gustavo Oderich, MD*
- 10:00-10:10 "Endovascular Strategies for Aortic Arch when FDA devices are not available"  
*Rana Afifi, MD*
- 10:10-10:20 "Hybrid Arch Interventions using FDA newly approved technology"  
*Nimesh Desai, MD*

### **Abdominal and Peripheral Interventions**

*Moderators – Zvonimir Krajcer, MD, Palma Shaw, MD*

- 10:25-10:35 "Advancements in Management of Severe Aortoiliac Occlusive Disease: Surgery vs Endovascular Approach?"  
*Charles Briggs, MD*
- 10:35-10:45 "Latest Management of Type 2 Endoleak"  
*Michael Silva, MD*
- 10:45-10:55 "Advancements in Lower Extremity Revascularization"  
*Joseph Mills, MD*
- 10:55-11:05 "Advancements in Mechanical Thrombectomy for Acute Limb Ischemia: Changing the Paradigm for ALI Management"  
*Palma Shaw, MD*

11:15-11:45

#### **Luncheon**

The Diethrich Legacy

*Ourania Preventza, MD, Rodney White, MD,*

*Invited Guests: Frank Criado, MD, Francesco Serino, MD*

#### ***Transition to Lab***

12:00-4:30pm

**Hands on Cadaver Lab/**

**Simulation** *Alan Lumsden, MD*

5:00-7:00pm

**Reception for Industry, Faculty, and Invited Guests**

*Marriott Ballroom*

### **Saturday, September 23**

7:30-7:40am

**Welcome and Announcements**

*Ourania Preventza, MD*

### **Topics of Interest**

*Moderators –Palma Shaw, MD, Venkatesh Ramaiah, MD*

7:40-7:50

"Acute Pulmonary Thromboembolism"

*Marvin Atkins, MD*

7:50-8:00	<p>“Thrombectomy and Thrombolysis for Acute DVT: Indications, Techniques, Devices, &amp; Outcomes”  <i>Nasim Hedayati, MD</i></p>
8:00-8:10	<p>“Iliac Vein Compression Syndrome: Evaluation, Interventional Strategies, and How to Avoid Complications”  <i>Sheila Coogan, MD</i></p>
8:10- 8:20	<p>"Endovascular Salvage Techniques for Central Venous Stenosis and Occlusion"  <i>Eric Peden, MD</i></p>
8:20-8:30	<p>“Minimally Invasive Mechanically Assist Devices for Circulatory Support”  <i>Ajith Nair, MD,</i></p>
8:30-8:40	<p>“Socioeconomic Disparities for Patients with Peripheral Vascular Disease”  <i>Kakra Hughes, MD</i></p> <p><b><i>Transition to Lab</i></b></p>
8:45-12:30pm	<p><b>Hands on Cadaver Lab/ Simulations/ Exhibits</b></p>
12:30-1:10pm	<p><b>Industry Luncheon: Update on Latest Technologies: What is on the Horizon?” (Non-CME)</b>  <i>Moderators: Zvonimir Krajcer, MD, Alan Lumsden, MD</i></p>
8 minutes	<p>“Thrombolex Presentation”  <i>Riyaz Bashir, MD</i></p>
8 minutes	<p>“Terumo Update on Relay Presentation”  <i>Kim Delacruz, MD</i></p>
8 minutes	<p>“Elegance Trial”  <i>Palma Shaw, MD</i></p>
8 minutes	<p>“SilkRoad Presentation”  <i>Venkatesh Ramaiah, MD</i></p>
8 minutes	<p>“Large Bore Closure Devices”  <i>Zvonimir Krajcer, MD</i></p>
1:10-1:20pm	<p><b>Adjourn</b>  <i>Ourania Preventza, MD, Palma Shaw, MD</i></p>

# PA/NPs in Endovascular Surgery

Room II

September 23, 2023

7:30am - 1:00pm

7:30-7:40am	<b>Introduction</b> <i>Tiffany Worthington, Nai-Ling Yeh</i>
7:40-7:50am	<b>Ultrasound Guided Vascular Access</b> Alan Lumsden, MD
7:50-8:00am	<b>Imaging Essentials</b> <i>Rodney White, MD</i>
8:00-8:10am	<b>Endovascular Essentials</b> <i>Tiffany Worthington</i>
8:10-8:20am	<b>Radiation Safety in General and in Pregnancy</b> <i>Trisha Roy, MD</i>
8:20-8:30am	<b>Pre-Op Optimization</b> <i>Marvin Atkins, MD</i>
8:30-8:45am	<b>Discussion</b>
8:45-9:00am	<i>Transition to Lab</i>
9:00-12:30pm	<b>Hands on Cadaver Lab, Simulation, Exhibits</b>
12:30-1:10pm	<b>Industry Luncheon</b>
